

Dear Parents,

Campers completing the seventh or eighth grades have the option of participating in a full-day rock climbing trip to "Rocktown" on Pigeon Mountain. This trip is led by Rod Thomas. Rod worked on the Laney ropes course during his college years, and is now an American Mountain Guides Association Certified Rock Instructor. He has led this trip for us for several summers.

The trip to Rocktown offers campers an opportunity to climb on natural rock in a beautiful and unique setting. Campers can choose from several challenging climbs.

If you would like for your son to participate, please complete and return the form at the bottom of the page.

Please call me, Whitney, or Will if you have questions.

Sincerely,

Rob Hammond
Director
