

Dear Parents,

We are looking forward to having your son at Camp Laney this summer. We want to provide the safest medical care possible for your child. In order to help us meet this goal, the following ACA (American Camp Association) requirements must be met:

1. PARENT AUTHORIZATION FOR EMERGENCY MEDICAL CARE-

In order for the staff to obtain immediate medical treatment for your child in the event of an emergency, your signature MUST appear on the Health Examination Form where appropriate.

2. MEDICAL EXAM PRIOR TO ARRIVAL AT CAMP-

Due to changes in your child's annual health history, a new Health Examination Form must be completed or updated by a licensed physician within twelve months of arrival at camp. *Specific notation of any food or drug allergies is very important.

3. MEDICATIONS-

All medications, both prescription and non-prescription, must be received and dispensed by the camp nurse. Please list dosages, daily administration schedule, and duration of therapy.

DIRECTOR'S NOTE

We encourage campers who are on medication during the school year for ADD/ADHD to continue to take their medication at camp. To follow safety guidelines and participate successfully in many of the camp activities, campers need to be able to pay attention and follow directions. If you have questions or concerns, please call me at 256-634-4066.

A registered nurse is on duty 24 hours a day during each session. We also have a doctor at camp each week of the summer. We encourage campers to visit the infirmary for any health concerns.

The nurses look forward to meeting you and your son during the opening day check-in at the health center. The nurses must screen all campers at this time.

Please mail the completed Health Examination Form prior to your son's arrival at Camp Laney

Sincerely,
Rob Hammond
Director
